Gosport Marina, Gosport

How to get to Gosport

Gosport is in a great location for transport links. Not far from the Marina is the Gosport Ferry which takes you across the river to Portsmouth where national rail links take you to London, Southampton Airport and further.

By Train:

The nearest station is Portsmouth Harbour (not Portsmouth and Southsea). The [Gosport Passenger Ferry](#) is 90 metres approx. from the station entrance and offers a frequent (quarter hourly) service.

By Car:

Leave the M27 at Junction 11 and join the A27, signposted Fareham.
At the second junction join the A32, signposted Gosport.

By Air:

Trains from Portsmouth Harbour link Gosport to London and Southampton where there are international and regional airports.
